Dear wedding couple:

This is the contract for the one-hour wedding package. All photography is to be performed by Alicia Earle Renner unless there is an emergency. This agreement includes one hour of shooting time for a total of \$350.00. Shooting the night before or for extra hours will be at \$350.00 per hour shooting time.

You will receive a CD of the full-size images from the wedding from which you will be able to print large photos from your personal computer or through your own printing service.

The image count will be around 75 to 150 images taken during that time. You will receive all images as shot from the camera **with no editing**. Average for this time is 100 unedited images.

The bride agrees to a one hundred fifty dollar deposit to be sent to the photographer. This deposit is nonrefundable as it secures for you the date of your event. The total price of this package is \$350.00. The remaining \$200.00 is to be paid on the night of the wedding or before the wedding date by mail. The photographer agrees to deliver the CD within two weeks of the event. Contacting the photographer to find out "if the prints are ready" before this period has elapsed shall fully release the photographer from the obligation to deliver the CD in such a timely manner.
